Dear Ms. Palmer:

In response to your letter dated September 18, 2007, you state that our report discloses contributions from political committees but fails to include the full and/or recognizable name. After reviewing our report I find no such inadequacies. All contributions were reported with either the full name or the approved acronym. We make every effort to comply with all FEC requirements and feel that we have in this case. We will continue to diligently comply with your request and use only the full committee name or its approved acronym.

Should you have additional questions or concerns, please feel free to contact us.

Sincerely,
